Thursday 2nd June: A BBQ followed by craft activities for the children and a quiz for the adults. A Bonfire Beacon to be lit at approximately 9.15pm along with everyone else in the country (Platinum Jubilee Beacons).

Friday 3rd June: At 3pm a service in the church where the children's artwork will be displayed followed by the planting of a memorial tree on the village green.

Saturday 4th June: A nature walk for all ages starting with refreshments on the green. Photos of local wildlife/views to be taken and a prize awarded for the one with the most votes.

Sunday 5th June: Keen bakers are invited to enter 'The Great Barningham Bake Off' to be judged by the public (after admiring and tasting the creations). Prize given to the most popular entry. This will be part of our afternoon tea party which will be followed by games on the village green.

HURLING THROUGH SPRING... who would believe that the longest day is here this month! *Meanwhile*, enjoy June and, as ever, be safe, stay safe. (Ed.)

LETTERS

Seventy years and going on...

May evening, setting sunlight on the pasture,
The grass golden green on the facing slopes –
Dark green where the sunlight it doesn't capture.
Golden with their budding leaves, the woodland
oaks;
White the apple blossom; pink on the cherry tree;
Primrose, cowslip, bluebell, the wild rose yet to see.
In the valley the river, like time, is flowing on;
It ripples in pools, splashes over stones and then that
water's gone.
Stormy, dark clouds, strong wind, heavy rain –
The sun comes out, it's warm again.
In the pasture ewes call, lambs run to suckle their fill.
Night falls, silence, clouds moving over the moon and
stars, all else is still.
This is how it has been for Elizabeth II and me.
For future generations may it always be –
God save the Queen.

Doug Anderson, Barningham

Keep a closer eye on how much energy you're using

Confused by Smart Meters? your local Age UK can help you understand how they work and the options available for you. Call us on 0300 30 20 100 for more information.

It's always been important to keep an eye on energy use but, with energy prices rising, it's more important now than ever.

Smart meters and the in-home display can help. They mean you can see how much energy you're using and how much you're spending. So you can decide when to turn on, turn up, or turn off.

Ask your energy supplier for a smart meter or search 'get a smart meter' today.

Some homes can't get a smart meter yet. Your energy supplier can tell you if you can have one and how soon it can be installed.

KEEP THE LETTERS COMING!
